BRINGING RECOVERY SUPPORTS TO SCALE
Technical Assistance Center Strategy (BRSS TACS)

Recovery LIVE! - Be a Part of the Conversation!

Strategies for Supervising Peer Support Workers

Thursday, April 27, 2017

2:00 - 3:00 pm ET

(1:00 pm CT / 12:00 pm MT / 11:00 am PT)

Peer support workers use their lived experience and specialized training to guide, support, and educate people in or seeking recovery from substance use disorders and/or mental health challenges.

In this virtual event, SAMHSA's Bringing Recovery Supports to Scale Technical Assistance Center Strategy ([BRSS TACS](#)) team will talk about defining peer support roles and providing supervision to peer support staff to successfully incorporate peer support services into an organization.

Moderated by Johanna Bergan, Executive Director, [Youth MOVE National](#)

Presenters:

William Eberle, Field Director (Barre), [Vermont Agency of Human Services](#)

Neil Campbell, Executive Director, [Georgia Council on Substance Abuse](#)

Recovery LIVE! participants engage directly with presenters and each other through live chatting, polls, and other interactive features. **Be part of the conversation—register today!**
