Youth and Families involved in multiple systems want to hear
your personal story of hope!

If you and or your family have been on a journey of
recovery for a year or more this training may be for you!

In order to attend a Youth and Family training to become a Certified
Peer Counselor you must apply with The Division of Behavioral Health
and Recovery and complete the required online training. ****Certificate
of completion of the online training must be sent in with the
application****

Application found at:

https://www.dshs.wa.gov/fsa/forms?field_number_value=10-356&title

- Required online training to be completed prior to the 40-hour in person training.
- 40-hour training.
- You cannot miss more than 3 hours of the training or you will not be certified.
- The certification test will take place on the last day of the training.
- People who pass the test can be eligible to work at licensed mental health agencies in Washington State.
- Applicants must be over 18 years old.
