

**CONTINUING EDUCATION SERIES
FOR PEER SUPPORT COUNSELORS**

WRAP® Refresher (3-days)

The **WRAP® Refresher** is an interactive course co-facilitated by the Copeland Center Advanced Level Facilitators to sharpen and expand facilitation skills to further engage groups in the Wellness Recovery Action Planning.

Through attendance in this course WRAP Facilitators will:

- 1 Recognize expanded options on how to give effective group introductions.
- 2 Identify additional knowledge areas, values and ethics of WRAP.
- 3 Apply at least one new skill to sharpen and expand group facilitation skills.
- 4 Develop new and creative approaches to facilitation to accommodate participant challenges and differing group needs.

Recommended for WRAP Facilitators to enhance knowledge and skills with WRAP and to get updates on implementing WRAP as an Evidence-Based Practice (EBP).

*Attendees for this workshop must have prior completion of WRAP Seminar 2: WRAP for Facilitators and must be a Washington State Certified Peer Counselor. Priority will be given to facilitators who completed WRAP Seminar 2 and need the refresher (every 2 years).
