- Hear **current news** from the Division of Behavioral Health and Recovery from Jennifer Bliss, Manager of the Office of Consumer Partnerships. News that affects you and your family
- Provide **input** to the state about services in your region, including:
 - How is the behavioral health system working in Clark/Skamania Counties? What are the strengths and needs? What would you like the state to know? We would like to hear your story.
- Your input is valuable and will be used by the state in system planning and improvement – – **your voice matters!**
